MEMORANDUM FOR: Acting Chief, SR/2

ATTENTION

SUBJECT : Request for Amendment of Contract of  
Herberts OKOLO, Project AECOB,  
5-3400-53-112

1. Per our conversation of 28 October 1954, I am submitting herewith, along with a copy of your request, another amendment which Okolo should sign upon his return to the United States. In brief, said amendment will make it clear to Okolo that in the event his named beneficiary is not acceptable to the U. S. Government monies accrued under his contract, both compensation and death benefits, shall revert to the U. S. Government.

2. However, since subject is presently on a mission, we must be satisfied with the status quo as stated in his present contract and the amendment which you requested will in no way change our agreement with Okolo at the present.

*The original contract (26 Aug '52) still holds.*
